

JUEQING LI

New York, NY | (765) 409-6142 | lim84356@gmail.com

EDUCATION

Teachers College, Columbia University

M.A. in International Educational Development

New York, NY

Sept. 2024 – Feb. 2026 (Expected)

Purdue University

B.A. in General Education - Educational Studies

Minor in Learning Sciences

West Lafayette, IN

Aug. 2020 - May 2024

- Cumulative GPA: 3.91/4.0 | Dean's List (All Semesters), Poster Winner – 2022 Research Expo

PROFESSIONAL EXPERIENCE

CheersYou International Consulting

Marketing Content Strategy Intern

New York, NY

May 2025 – Aug. 2025

- Produced application-related longform content (e.g., SOP breakdowns, case analysis) on WeChat Official Account, showcasing successful student stories to highlight the company's consulting strength
- Designed Red posts on topics like course planning and school selection tips, leveraging localized student pain points and improving post visibility (500+ saves across 20+ posts)
- Adjusted content planning to reflect real-time policy updates, aligning publication timing and tone with international education trends and target platform algorithms

EasyTransfer

Social Media Content Creation & Growth Intern

Online

Dec. 2024 - Present

- Designed and managed Red content targeting Columbia's Chinese student community, integrating visual storytelling and localized policy insights to build high-retention audience funnels for future conversion
- Planned and published weekly posts with custom graphics, SEO-optimized captions, and hashtag strategies; conducted competitor monitoring to track trends and inform content direction
- Delivered high-performing, real-time content on NYC MetroCard policy and campus protests; one post reached 10K+ views within 2 hours, driving total engagement to 45K+ views and 800+ favorites

Undergraduate Research Trainee (URT) Program

Research Assistant

West Lafayette, IN

Aug. 2022 - May. 2023

- Conducted and applied both qualitative and quantitative research methodologies learned from two courses that are included in this program and actively applied in the ongoing research topic *Investigating Elementary Teachers' Use of Mathematics Curriculum Materials* with Dr. Jill Newton and her research team across four universities
- Co-authored and published a first-author academic poster; presented at the 2023 Indiana STEM Education Conference and archived in *Purdue e-Pub*

PROJECTS

Vibe Sniffer – Music Sentiment Recognition Web App

Product Designer & Developer

New York, NY

June 2025 – July 2025

- Designed the product logic and user experience for a web tool that analyzes song sentiment (e.g., chill, happy, angry) based on keyword inputs; leveraged AI copilots (e.g., ChatGPT) to generate and debug code efficiently
- Built and deployed a responsive front-end using HTML/CSS/JavaScript, integrating keyword-based sentiment mapping and AI-assisted logic for real-time genre classification and visualization

Columbia China-U.S. Education Forum

Content Strategist & Visual Coordinator

New York, NY

Mar. 2025 – Apr. 2025

- Led visual editing and structure design for a bilingual 20-page forum handbook; aligned multi-team inputs, compressed feedback cycles, and finalized delivery within 12 hours, distributed to 6,000+ attendees
- Co-designed the “AI in Education” panel flow, coordinating guest lists, discussion topics, and Zoom-based interaction logistics, ensuring smooth participation and consistent positive feedback from all speakers
